

## GPOP - Issue Review System

**Part Number:** 68542788A\$

**Part Description:** Tailgate Latch Assembly

**Issue Description:** Please review all wiring Connectors for latches between Latch and PTGM and Middle Connector to make sure they fully seated and Connectors are clipped in. No Latch to be replaced for stored DTCs. DTCs trigger due to loose connectors. Unplug and plug connectors back and clear DTCs and check the system.
