#### SYNC-25.2.4.10

"This software update contains the following key changes:

- We've resolved an issue where your SYNC system could restart unexpectedly when multiple Bluetooth devices are paired.
- We resolved an issue where the Rear Seat Occupant Alert may not have correctly displayed on your center touchscreen when enabled.
- We resolved an issue where the rear differential lock button on the your vehicle's screen would remain illuminated even if the feature was turned off."
