Software Update - Audio

Phoenix Audio Controller

As a reminder, ensure you have a recurring Software Update schedule set in order to receive important updates for your vehicle. Visit the Software Update settings in-vehicle or on your mobile app.

1

PAC-26.3.3

"This software update contains the following key changes:

- We've improved your vehicle's AM/FM radio reliability and overall audio performance.
- We fixed an intermittent issue where audio may stop playing while using Apple CarPlay."
