AUDI DEALER COMMUNICATION

Revision – UPDATE 93N6 / Battery Modules Control Unit Software

This notice is for: All Dealer Personnel

Date: April 02, 2026

Revision Information: Updated the “Important Step” information in the SVM section regarding elimination of the battery evaluation step performed during the 93U9 and the 93V2.

Notes: Please take the time to ensure everyone in your dealership with campaign-related responsibilities has thoroughly reviewed the revised bulletin that has been published to ELSA and Service References in Elsa2Go.

Please discard any paper copies you may have printed and ensure they are replaced with the most current version.

-END OF MESSAGE-

Ensure all dealer personnel are aware of this notice so they are able to address customer questions. Contact Warranty if you require additional assistance. Direct press inquiries to Audi Public Relations.
