Reporting obligation

Transaction No.: **2081716/1**

93 Reporting obligation on campaign 93T7 Checking high-voltage battery for leaks

Release date: Apr 15, 2026

Condition

Model(s)	Year(s)	VIN Range	Vehicle Specific Equipment
e-tron GT, and RS e-tron GT	2023 – 2024	All	Not applicable

Customer states:

Perform field campaign 93T7

Workshop findings:

While performing the field campaign 93T7, the classification or repeated leak test are **not OK**.

Documentation required

Technical Background

Not applicable.

Production Solution

Not applicable.

Service

While performing the field campaign 93T7 according to the campaign description, the classification or repeated leak test are **not OK**.

In such cases, create a TAC contact and identify it as **“Reporting obligation according to the Technical Service Handbook”**.

Make the diagnostic log with the “not OK” result available online. Colleagues will soon contact you regarding the further handling of the affected high-voltage battery. In the meantime, continue to work through the campaign instructions.

Warranty

This TSB is informational only and not applicable to any Audi Warranty.

Additional Information

All part and service references provided in this TSB (**2081716**) are subject to change and/or removal. Always check with your Parts Department and/or ETKA for the latest information and parts bulletins. Please check the Repair Manual for fasteners, bolts, nuts, and screws that require replacement during the repair.
