

PAB1182: TRIKE SADDLEBAGS KIT INFORMATIONAL UPDATE

Reason for Revision

Refer to Table 1.

Table 1. Document History

Date	Rev	Revision (Rev) Description
2026-04-24	-	Initial release

Purpose for Parts and Accessories Bulletin

This bulletin informs dealers that the Trike Saddlebags kit (Part No. 84031-11) has an informational update:

The drill template that is inside the kit, is only used for 2009-2025 Trike models.

The electronic version of this instruction sheet which is located in Service Information Portal (SIP), will have the drill template as an attachment for 2026 and later Trike models (see service bulletin M1714). It will not be included inside the kit or directly attached to the instruction sheet.

Vehicles Affected

2010-2011: Street Glide Trike (FLHXXX)

2009-2025 Trike models: Tri-Glide Ultra (FLHTCUTG), Tri-Glide Anniversary (FLHTCUTGANV), CVO Tri-Glide (FLHTCUTGSE)

2026: Street Glide 3 Limited (FLHLT), CVO Street Glide 3 Limited (FLHLTSE)

Markets Affected

All markets affected.

Summary

When installing the Saddlebags kit:

- 2009-2025 Trike models, drill template is included inside the kit.
- 2026 and later Trike models, drill template is an electronic attachment found in SIP (see service bulletin M1714).

Questions
