

SSM 54822 2026 Maverick/Bronco Sport - Underbody Tunnel Shield No Longer Equipped – Built On Or After 04-May-2026

All 2026 Maverick non-Lobo vehicles equipped with a 2.0L engine and built on or after 04-May-2026 and all 2026 Bronco Sport vehicles built on or after 07-May-2026 are no longer equipped with an underbody tunnel shield (Maverick base part number 6011434/Bronco Sport base part number 7811434). The vehicle is not misbuilt and the installation of this part is not a warrantable repair. Do not submit a claim for this condition.
