

## STAR ONLINE PUBLICATION

**Case Number:** S2608000020 Rev. A

**Release Date:** May 2026

**Symptom/Vehicle Issue:** Speed Limit Warning Chimes While Driving, Cluster Message Speed Warning Exceeded, Circled Speed Limit Appears on Cluster

**Models Affected:**

2026-2027 Chrysler Pacifica (RU)

**Owner Complaint/Technician Observation:** The owner complains there is a circled speed displayed in the cluster and while driving when the speed is exceeded. The technician has observed the circled speed and has not been able to locate a menu to turn this option off.

**Discussion:** Speed warning selection (circled speed) option may appear without an owner selecting the option. This option was not an option available for US vehicles. This option can be turned off by using the wiTECH scan tool, select the Body Control Module (BCM)>Misc. Functions>Cluster Speed Limit Reset see pg 2.
