

Service Bulletin

Bulletin No.: PIT6518

Date: May, 2026

PRELIMINARY INFORMATION

Subject: Transmission Manual Mode Range Display Is Blank In The IPC

Brand:	Model:	Model Year:		VIN:		Engine:	Transmission:
		from	to	from	to		
Buick	Envision	2024		All	All	All	All

Involved Region or Country	North America
Condition	Some customers may find when the transmission is in manual mode, that the transmission range is not displayed to the driver and is blank. This only occurs when in manual mode.
Cause	Engineering is aware of the issues and investigating.

Correction

Do not replace any parts. Engineering is aware of the issues and investigating. The PI will be updated or replaced with a TSB once a determination has been made. In the meantime, please continue to drive your vehicle.
