Required parts

The parts required for carrying out the campaign can be found in the relevant assigned scope and the Technical Information (TI), "Warranty Processing" section.

The parts must be stored until such time as the related warranty or campaign claim has been credited. If a barcode is generated with the credit note, the affected part must be sent to Porsche AG as usual. If no barcode is generated with the credit note, the part can go directly into the remanufactured parts process or be scrapped.

Warranty processing

Validity:

The present workshop campaign is carried out by the date maintained in PCSS and then closed.
