Re: Product Update: 2017–20 Accord, CR-V ADAS System Software Update

Today, July 24, 2026, American Honda is announcing a **product update** for certain 2018-2020 Accord and 2017-2019 CR-V vehicles. Due to software programming issues of the Advanced Driver Assistance System (ADAS), unexpected vehicle deceleration may occur. **Perform an iN VIN status inquiry to determine which units in your inventory are affected.**

REPAIR

Update the CMBS software.

SOFTWARE

The updated software will be available at launch.

PARTS

There are no parts needed for this campaign.

TOOLS

There are no new special tools needed for this campaign.

SERVICE BULLETIN

Service Bulletin 26-091, *Product Update: 2018–20 Accord, 2017-19 CR-V CMBS Software Update*, has posted to the Service Information System (SIS) as of July 24, 2026. It includes software, repair, and warranty information related to this campaign.

CUSTOMER NOTIFICATION

American Honda expects to begin customer notification in late August 2026.

As always, be sure to perform an iN VIN status inquiry for all vehicles passing through your dealership to determine eligibility for any open campaigns.
