Bendix AD-HF Air Dryer Service Parts

SUBJECT VEHICLES

2021 through 2027 model year Hino L-Series and XL-Series vehicles

WARRANTY TERMS

NOTICE: This Technical Tip is provided as technical information and is not authorization for a warrantable repair.

OVERVIEW

Service parts are available for Bendix AD-HF K164018 air dryer (Hino P/N S4430-EW050) and can be serviced without removal or replacement of the air dryer assembly.

Refer to the **Service Brake** section of the **Chassis Workshop Manual** for the complete parts list and information regarding the operation, troubleshooting and service of the **Bendix AD-HF** air dryer. In addition, the following Bendix website can also be referenced for supporting service and technical information: <https://b2bendix.com/US/en/USD/>

Refer to the Hino parts catalog to confirm current part numbers.
