## ATTENTION: ALL DEALER PARTS & SERVICE MANAGERS

Kia America, Inc. is conducting a Voluntary Service Campaign on certain 2024-2026 MY EV6 vehicles, manufactured from August 7, 2023 through June 18, 2026, to replace the 3-way coolant valve assembly with a new one. In addition, dealers will inspect the 3-way coolant valve harness connector for corrosion and, if necessary, replace the harness connector.

The 3-way coolant valve in the subject vehicles may become damaged and result in a coolant leak. As a result, corrosion may also be present in the 3-way coolant valve harness connector. An inoperative 3-way coolant valve or corrosion within the harness connector may result in reduced Heating, Ventilation, and Air Conditioning (HVAC) performance and/or in the illumination of the "Check electric vehicle system" or "Refill Coolant" warning message in the instrument cluster.

Dealers will replace the 3-way coolant valve assembly with a new one. In addition, dealers will inspect the 3-way coolant valve harness connector for corrosion and, if necessary, replace the harness connector. This campaign will be performed free of charge at no cost to the customer.

The Technical Service Bulletin that provides vehicle inspection and repair procedures, affected VIN production range, and warranty claim information will be posted on the Kia Global Information System (KGIS) at [www.kiatechinfo.com](http://www.kiatechinfo.com) during the week of **August 19, 2026**.

Enclosed you will find a copy of the owner notification letter and a Q&A Guide, both of which describe the issue. Kia will mail notices to the affected vehicle owners beginning on **August 20, 2026**.

Please make personnel in your dealership familiar with the details of this Voluntary Service Campaign so they may respond to customer inquiries and requests appropriately. This Voluntary Service Campaign is an opportunity for your service department to deliver an exceptional service experience to customers who may not have otherwise scheduled service. Providing customers with easy scheduling and timely service increases the chance they will return to your service department for future service needs.

**LEGAL PRIVACY LIABILITY NOTICE:** Pursuant to the terms of the Dealer Sales and Service Agreement and the Gramm-Leach-Bliley federal consumer privacy act, you are required to keep confidential any and all information and documents provided to you by Kia America, Inc. or generated by you in the conduct of carrying out work under that Agreement regarding Kia vehicle purchasers and owners, including but not limited to warranty claim information. Kia dealers may use such owner information for the sole purpose of conducting and performing this voluntary service campaign, and for no other purpose.

If you have any questions, please contact your Kia District Parts and Service Manager.

Sincerely,

Kia Service Department
