Communication

Publish Dates

- The Start Date is when the communication will be visible to dealers in DCMail.
- The End Date is when the communication will no longer be visible to dealers in DCMail.
- NOTE: End Dates are limited to one (1) year from the Start Date. If you wish to lengthen the End Date, you may extend it at any time after publish.

Start Date 8/18/2026 7:00 AM

End Date 9/8/2026 11:55 PM

Note: All times are EST

Title

What will display in DCMail for dealers to click on.
TIP: Keep titles short, but specific and eye catching.

SWITCH AND BEZEL - FRONT DOOR

Flagged for Reporting Agency

NO

Communication Summary

To increase search capability and visibility of your communication, please provide a brief summary or your message (140 characters max). This will display when dealers hover over your communication.

SWITCH AND BEZEL - FRONT DOOR

Message

The body of your communication. Use the formatting toolbar above to format text, insert tables, pictures, and/or hyperlinks.

Click Edit > Attach File to attach documents

IMPORTANT NOTES:

- Pictures must have unique file names. If you receive an error message when uploading a picture, it means the file name has already been chosen. Simply change your file name and try again.
- Communications cannot exceed more than 12MB; this includes images and text, and all attachments.

You have been identified as either having stock on hand or in transit to your dealership.

Please check and return suspect stock of part numbers: **68590582AA**. Please refer to QIR attachment.

Please return all parts back to your facing depot using **Return Code 02**, before 8th September 2026.

For replacement place new orders.

Return any open orders in process too. Direct questions regarding returns via email to mopardmail@stellantis.com

Quality Inspection Request

SWITCH AND BEZEL - FRONT DOOR

Suspect Part Identification

Part Numbers: 68590582AA

Correct Part

Suspect Part

Good Parts: If the part number on the shipping box label matches the physical part number on the finished product, the part is correctly labelled and can be used.

Bad parts: If the part number on the shipping box label does not match the physical part number on the finished product, the part is incorrectly labeled and needs to be quarantined.
