Re: Warranty Extension: 2023-2026 Multi-Model Cylinder Head Gasket

Today, August 26, 2026, Acura is announcing a **warranty extension** for certain 2025-2026 ADX and 2023-2026 Integra vehicles. Under certain conditions, the cylinder head gasket effectiveness may be reduced which may cause vehicles to experience overheating, coolant loss, misfire, and/or DTCs P0300 through P0304 stored.

Acura is extending the warranty coverage on the cylinder head gasket, related to this condition, to 10 years from the original date of purchase or 150,000 miles, whichever comes first.

REPAIR

Follow the diagnostic steps outlined in the Service Bulletins below to determine if the vehicle qualifies for this repair and for further repair instructions.

PARTS

Parts will be available for normal ordering at launch.

TOOLS

Warpage Inspection Kits have been sent to the service managers at dealerships.

SERVICE BULLETINS

The following Service Bulletins have posted to the Service Information System (SIS) as of August 26, 2026. They include inspection, repair, parts, tools, and warranty information related to these campaigns:
