Software Update - Rear Liftgate
(RGTM) Rear Gate Trunk Module

As a reminder, ensure you have a recurring Software Update schedule set in order to receive important updates for your vehicle. Visit the Software Update settings in-vehicle or on your mobile app.

1

RGTM-26.AF

"This software update contains the following key changes:

- We've fixed an issue that could prevent the rear liftgate from opening when you press the release button while the liftgate ajar warning light is on."
