

SSM 55100 Various Vehicles - Front Seat Cushion Cover Loose/Detached - Seat Cover J-Clip Lower Level Service Part Available

For Various Ford and Lincoln vehicles, if diagnostics lead to the replacement of the front seat cushion cover J-clips, lower-level service parts are now available. Use service part W709919-S901 if the J-clip is completely detached from the seat cover and W715386-S424 if the clip is still partially attached. It is not necessary to replace the seat cover if only the J-clip is separating from the cover.

Refer to PTS Home > Technical Assistance > Technical Support Videos > Section 501- Body and Paint > Seat J-Clips.

For claiming, use causal parts from list below and labor operations 63100A and 63100A5.
