Correction

General Motors Technical Assistance Center TAC part restriction on the K172 Night Vision Camera has ended.

We would like to thank all dealers who participated in this restriction for their cooperation.

The K172 Night Vision Camera can now be ordered through the regular GM CCA parts process or PQC process for required dealers (Canada).

Use the vehicle identification number (VIN), SI, and the GM Electronic Parts Catalog to determine the correct part to order.

GM bulletins are intended for use by professional technicians, NOT a "do-it-yourselfer". They are written to inform these technicians of conditions that may occur on some vehicles, or to provide information that could assist in the proper service of a vehicle. Properly trained technicians have the equipment, tools, safety instructions, and know-how to do a job properly and safely. If a condition is described, **DO NOT** assume that the bulletin applies to your vehicle, or that your vehicle will have that condition. See your GM dealer for information on whether your vehicle may benefit from the information.
