

Horizontal Stripes in Front Control Panel/Central Display (PCM) (65/26)

Model Line: **911 (992)**
Taycan (Y1A/Y1B/Y1C)
Panamera (YAA/YAB)
Cayenne (9YA/9YB)

Model Year: **2026**

Concerns: Front display control panel/central display PCM

Reason: **The customer complains that one or more horizontal stripes can be seen in the background of the front control panel display/central display (PCM).**

Action: The horizontal stripes -1- are part of the background and differ depending on the selected driving mode (Range, Sport, Sport Plus mode). These are **to be assessed as normal** and do **not constitute a display error**. In the event of customer complaints, the following pictures should provide support as a reference for comparison and for explaining the situation to the customer.

Normal mode

Range mode

Sport mode

Sport Plus mode

Important Notice: Technical Bulletins issued by Porsche Cars North America, Inc. are intended only for use by professional automotive technicians who have attended Porsche service training courses. They are written to inform those technicians of conditions that may occur on some Porsche vehicles, or to provide information that could assist in the proper servicing of a vehicle. Porsche special tools may be necessary in order to perform certain operations identified in these bulletins. Use of tools and procedures other than those Porsche recommends in these bulletins may be detrimental to the safe operation of your vehicle, and may endanger the people working on it. Properly trained Porsche technicians have the equipment, tools, safety instructions, and know-how to do the job properly and safely. Part numbers listed in these bulletins are for reference only. The work procedures updated electronically in the Porsche PIWIS diagnostic and testing device take precedence and, in the event of a discrepancy, the work procedures in the PIWIS Tester are the ones that must be followed.
