Part Number: 68245094A\$, 68245095A\$, 68245290A\$, 68245291A\$

Part Description: CALIPER ASSEMBLY Disc Brake

Issue Description: Only applies to brake sales code BR9. Ensure caliper leaks are verified prior to part replacement. Excess supplier-process grease around piston seal is being mistaken for brake fluid leaks in majority cases. Clean and inspect the area thoroughly to confirm an active leak.
